**Field Name Description**

|                              |                                                                                                                                                                                                                                             |
|------------------------------|---------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------|
| Sctg                         | Standard Classification of Transported Goods code                                                                                                                                                                                           |
| Description                  | Commodity Description                                                                                                                                                                                                                       |
| Mode                         | Mode of Transportation                                                                                                                                                                                                                      |
| Value                        | Dollar Value in Millions                                                                                                                                                                                                                    |
| ValueF                       | Flag for Value field. This field contains special notes for the corresponding field it flags. Value D denotes figures withheld, - represents zero or less than one unit of measure, S means data doesnot meet sampling standards.           |
| ValuePercent                 | Percent of total value of commodities shipped.                                                                                                                                                                                              |
| ValuePercentF                | Flag for ValuePercent field. This field contains special notes for the corresponding field it flags. Value D denotes figures withheld, - represents zero or less than one unit of measure, S means data doesnot meet sampling standards.    |
| Tons                         | Weight of commodities shipped( in 1000 tons)                                                                                                                                                                                                |
| TonsF                        | Flag for Tons field. This field contains special notes for the corresponding field it flags. Value D denotes figures withheld, - represents zero or less than one unit of measure, S means data doesnot meet sampling standards.            |
| TonsPercent                  | Percent of total weight of commodities shipped.                                                                                                                                                                                             |
| TonsPercentF                 | Flag for TonsPercent field. This field contains special notes for the corresponding field it flags. Value D denotes figures withheld, - represents zero or less than one unit of measure, S means data doesnot meet sampling standards.     |
| TonMiles                     | Ton Miles( in millions)                                                                                                                                                                                                                     |
| TonMilesF                    | Flag for TonMiles field. This field contains special notes for the corresponding field it flags. Value D denotes figures withheld, - represents zero or less than one unit of measure, S means data doesnot meet sampling standards.        |
| TonMilesPercent              | Percent of total ton miles                                                                                                                                                                                                                  |
| TonMilesPercentF             | Flag for TonMilesPercent field. This field contains special notes for the corresponding field it flags. Value D denotes figures withheld, - represents zero or less than one unit of measure, S means data doesnot meet sampling standards. |
| AvgMiles                     | Average Miles per shipment                                                                                                                                                                                                                  |
| AvgMilesF                    | Flag for AvgMiles field. This field contains special notes for the corresponding field it flags. Value D denotes figures withheld, - represents zero or less than one unit of measure, S means data doesnot meet sampling standards.        |
| <a href="#">DivisionName</a> | Division name                                                                                                                                                                                                                               |
| <a href="#">RegionName</a>   | Region name                                                                                                                                                                                                                                 |
